CONGRATULATIONS! Your park is one of only 247 listed in the 2007 Woodall's North American Campground Directory to attain Woodall's highest 5W rating in both Facilities and Recreation. This select group represents less than 3% of the privately owned parks that Woodall's lists.

Your investment in the physical development of your park, personnel, recreation programs and excellent maintenance puts your park into this very select group. As you know these ratings are not easy to attain—or to keep.

The entire Woodall's management offers our congratulations on this achievement. We know this is a result of hard work, attention to detail and group efforts of owners, managers, and your entire staff.

Best wishes for your continued success. We at Woodall's thank you for providing a quality experience for the RVing public.

Sincerely,

Ann Emerson
